

CIG Shanghai Co., Ltd Announces New Corporate Expansion in Tokyo, Japan To Capitalize on Future Growth of Optical Sub-Assembly Market.

Tokyo, Japan, May 14, 2018

CIG Shanghai Co., Ltd. (CIG) today announced its latest corporate expansion in Tokyo, Japan. Located at 4-9-8 Myojin-cho, Hachioji, Tokyo, Japan, CIGTech Japan Limited is fully dedicated to the business operation, design and development of high performance optical sub-assemblies at 100G TOSA, ROSA and beyond. Leveraging CIG's low cost high volume advanced manufacturing capabilities, CIG is aggressively pursuing the Contract Manufacturing (CM) of TOSA, ROSA and optical modules for worldwide customers.

More information about the Optical Sub-Assemblies of TOSA and ROSA can be found at:
